

ANNOUNCEMENT

Prague, September 30, 2022

Business Director

Dear Business Partners,

It is my pleasure to announce that with effect from October 1st, 2022, our management team will be strengthened by **Michal Neuer**, who will take up the position of Business Director.

Michal has extensive experience in the field of logistics and air cargo.

He started his career in 2008 in the aviation department at DB Schenker. In 2011, Michal moved to Czech Airlines Cargo, where he worked in various positions for 10 years, of which the last 5 years he served as Department Head.

Michal now joins us from SKY.XS AIRCARGO, where he was responsible for Project Development for the last 12 months.

At Skyport, Michal's newly acquired role as Business Director for the Czech and Slovak Republics, will primarily be tasked with establishing new strategic partnerships with key airlines and further strengthening Skyport's position in its domestic and foreign markets.

I would like to welcome Michal to our company and wish him much success in his new role, in which he has my full support.

Jan Korol

Chief Executive Officer
